Govt keen to make IBC more robust, says FM

'Has no hesitation in amending it'

SAJAN C KUMAR Chennai, April 1

FINANCE MINISTER Nirmala Sitharaman on Saturday said the Centre has no hesitation in amending the Insolvency and Bankruptcy Code (IBC) to make it more robust, amid growing criticism about a slowing of the resolution process and falling recovery for creditors.

Speaking at the inauguration of the renovated court premises of the National Company Law Appellate Tribunal (NCLAT) in Chennai, the FM said: "The laws require amendments to address the requirements of the industry, this has been well-taken by the Opposition as well, and there has never been a question or obstruction in having those amendments come through."

On the delays in appointments to the tribunal benches, the FM said: "There has always been a bit of resentment outside about the benches not being filled sooner with both judicial and technical members. If only these members are appointed in time and the cycle is maintained in a well-oiled fashion...the pur-

chairperson Justice Ashok Bhushan at the inauguration of the renovated court premises of NCLAT, in Chennai on Saturday PTI

pose of holding the NCLAT would itself be served better. The government has taken the point very seriously, and of late a lot of appointments have been made with full speed."

"That has been repeatedly proven that the suggestion comes from the judiciary and we have taken it up from the government's side frequently, and without any hesitation, we go to Parliament and have more and more amendments which only fine-tune the Act," she added.

The minister's comments come at a time when another set of amendments to the IBC are likely to be tabled in Parliament soon. The corporate affairs ministry had proposed extending pre-packaged insolvency

scheme — currently meant to resolve stress in only micro, small and medium enterprises (MSMEs) — to a certain category of larger firms and a special insolvency regime, as part of these amendments. Whether it is an amend-

ment to the IBC, filling up positions, or to make sure there are enough resolution professionals (RPs), the Centre has always been in touch with the Insolvency and Bankruptcy Board of India, the minister pointed out. The latest amendment wherein the number of cases handled by the RPs being made limited would only bring in greater scrutiny to the process and make it more transparent, she added.

Defence exports hit all-time high in FY23

PRESS TRUST OF INDIA New Delhi, April 1

INDIA'S DEFENCE EXPORTS reached an all-time high of ₹15,920 crore in the financial year 2022-2023, defence minister Rajnath Singh said on Saturday describing the rise as a remarkable achievement.

The country's defence exports in 2021-22 was ₹12,814 crore, according to official data.

"India's defence exports have reached an all-time high of ₹15,920 crore in FY 2022-2023. It is a remarkable achievement for the country," Singh said on Twitter. "Under the inspiring leadership of PM Shri @narendramodi, our defence exports will continue to grow exponentially," he said.

India exported military hardware worth ₹8,434 crore in 2020-21, ₹9,115 crore in 2019-20, and ₹10,745 crore in 2018-19, according to details provided by Singh. The amount in 2017-18 was ₹4,682 crore and ₹1,521 crore in 2016-17.

The government has set the target of manufacturing defence hardware worth ₹1.75 trillion and take defence exports to ₹35,000 crore by 2024-25.
